

A vertical timeline diagram showing the progression of a project from A to F. The timeline is a vertical line with horizontal tick marks. The labels A, B, C, D, E, and F are placed to the left of the line, corresponding to the tick marks. The line starts at A, goes down to B, then up to C, then down to D, then up to E, and finally down to F. The segments between the labels are shaded in alternating colors: light blue for A-B, light orange for B-C, light green for C-D, light red for D-E, and light purple for E-F.
